DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed on 5/16/2006 amends the claims to require features specific to a non-elected embodiment and is therefore non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the only independent claim now requires "a second end opening into the air volume". This feature is specific to the vertical embodiment of figure 2.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
